Open-ended working group on developments in the field of information and telecommunications in the context of international security

First substantive session
9–13 September 2019
Item 3 of the provisional agenda*

Organization of work

Organization of work of the first substantive session

Note by the Secretariat

The draft organization of work of the first substantive session of the open-ended working group on developments in the field of information and telecommunications in the context of international security, which is contained in the annex to the present note, has been prepared in order to facilitate the working group’s consideration of the items included in the agenda for the session, given the time and conference services that have been allocated to it. The annotated provisional agenda for the session, as adopted by the working group, is contained in document A/AC.290/2019/1.

* A/AC.290/2019/1.
